

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of the Claims

Claims 1-12 (cancelled).

13. (currently amended) A method for processing channel guide information, comprising the steps of:

receiving channel guide information;

receiving a user-entered search request, wherein said user-entered search request is a string of text;

performing ~~continuously~~ until said search request is turned off, a search of said channel guide information for a program in said channel guide information having a program description that satisfies said user-entered request, wherein said search continues as channel guide information is updated by the receipt of new channel guide information during said searching step;

displaying a reminder anytime a program is found in said perform step having said program description that satisfies said user-entered request.

14. (currently amended) The method of claim 13 wherein the user-entered search request may be modified when the performing step is on-going.

15. (previously presented) The method of claim 13, wherein the program description comprising at least one of the following information about the program: title, star, director, rating, and plot.

16. (withdrawn) A method for processing channel guide information, comprising the steps of:

receiving channel guide information:

receiving a user-entered search request;

performing continuously until said search request is turned off, a search of said channel guide information for a program in said channel guide information having program description that satisfies said user-entered request;

recording automatically without user intervention, a program which is found in said performing step having program description that satisfies said user-entered request.

17. (withdrawn) The method of claim 16 wherein the user-enter search request may be modified when the performing step is on-going.

18. (withdrawn) The method of claim 16, wherein the program description comprising at least one of the following information about the program: title, star, director, rating, and plot.

Amendments to the Drawings

The attached drawing sheets include changes to Figs. 2 and 3. These sheets, which include Fig. 1-7, replace the original sheets including Fig. 1-7.

In Fig. 2, reference numeral 200 is deleted.

In Fig. 3, reference numeral 410 is deleted, and reference numerals 310 and 320 are added.
